Learner at Rayat Bahra University
Indri, Haryana, India

Summary

As a second-year B.Tech CSE student, I am passionate about exploring computer science and learning about emerging technologies. I am skilled in programming languages such as Java, and C++ and aspire to become a software developer in an innovative organization. I am a quick learner, team player, and possess strong problem-solving abilities. Open to connecting with individuals and opportunities that align with my interests and goals.
